11. GUIDELINES FOR IMPLEMENTING THE PROGRAM

- This program is applied to students admitted from the 2025 intake onward.
- The training process is based on the designed curriculum, training objectives, target learners, workforce requirements, and specific training needs. For elective courses, depending on development trends and social demands, the Faculty will advise students in selecting appropriate courses.
- The Dean of the Faculty is responsible for organizing and guiding the development of detailed course syllabi to ensure that the objectives, contents, and requirements are met, while also satisfying the needs of learners and society.
- The program will be reviewed and updated at least once every five years to meet the development of the Finance – Banking sector and align with socio-economic development needs./.
