11. GUIDELINES FOR PROGRAM IMPLEMENTATION

- This training program has been implemented since the 2022 admission cohort for students in the Chinese Language field of study.
- The training process is based on the designed curriculum, educational objectives, target learners, workforce demands, and specific training requirements. For optional courses,

depending on practical conditions, development trends, and social demands, the Faculty will advise students in selecting appropriate courses.

- The Dean of the Faculty is responsible for organizing and providing guidance on the principles for developing detailed course syllabi in order to ensure that the program objectives, content, and requirements are fulfilled, while also meeting the needs of learners and society.

- The training program is reviewed and updated every two years to keep pace with developments in the field of Chinese Language and to align with socio-economic development needs./.
